

THE RIGHT SOLUTION FOR EVERY APPLICATION

The DIONE recessed spotlights are available in the light colours 2,700K, 3,000K, 4,000K and as a dim-to-warm version [1,800-3,000K]. In addition to the IP20 version, an IP44 version is also available, making the DIONE suitable for bathrooms and other damp rooms indoors.

With this variety, the DIONE series offers recessed spotlights for a wide range of applications - from private homes and exhibition areas to guest areas in hotels and restaurants. Thanks to the wide selection of light colours and IP classes, DIONE can be flexibly integrated into any environment and covers all design requirements, from feel-good character to functional lighting.

SAVES TIME DURING ASSEMBLY

quick-release fastener,
optionally fixable with screw

3-pole plug-in terminals
for rigid and flexible cables up to 1.5 mm² NYM

through-wiring possible
